Dear Mr. Morisy,

We received your Freedom of Information Act (FOIA) request for information regarding Afghanistan-based Livestock Improvement Programs on 9 May 2012. Your request is being processed in accordance with Title 5 U.S.C. § 552 Freedom of Information Act and Privacy Act Guide and Executive Order 13526. The actual processing time for these documents will depend upon consultation with other DoD components, stateside, overseas, or other agencies.

We placed you in the "Media" category for fee purposes. This means you are obligated to pay for duplication costs after the first 100 pages (\$.15 a page).

The USCENCOM FOIA Requester Service Center receives numerous FOIA requests and has a substantial number of pending FOIA cases; therefore, we process requests in a multi-track processing system based on the date of receipt and complexity of the request. The FOIA does not require agencies to respond to questions, to do research, compile or analyze data, summarize, or conduct surveys for members of the public. You should be aware that the FOIA only provides the means by which the public can request specific documents from USCENCOM. The requested documents should be described to the extent that they may be located with a reasonable amount of effort. Your FOIA is currently number 190 in our queue.

If you have any questions regarding your inquiry, please contact my FOIA Requester Service Center at (813) 529-6714, [foiaoffice@centcom.mil](mailto:foiaoffice@centcom.mil), and refer to USCENCOM Case #12-0212.

Sincerely,

A handwritten signature in black ink, reading "Walter L. Carter Jr.", is positioned above the typed name.
